SUPPLEMENT TO
REPORT NO. [REDACTED]

RETURN TO CIA
LIBRARY

25X1X

1. Nearly all the soldiers of the Russian military headquarters in Templin now wear red-bordered black epaulets rather than red epaulets, which indicates that the personnel formerly there have been replaced by members of the armored forces.
2. The blocked-off road section between Templin and Zehdenick has been opened. Barriers and sentry boxes have been torn down.
